Dear Doctor Lederberg:

May I acknowledge receipt of your letter to Dr. Winternitz in which you open the question of a possible grant from the Jane Coffin Childs Memorial Fund. Dr. Winternitz at the moment is in Washington. Please be assured that your letter will be brought to his attention promptly and that we will let you hear further. I may say that the next meetings of the Boards of the Fund occur in April and May of this year and I am confident that at least preliminary discussion of your request can take place at this time.

Sincerely yours,

L. L. Waters, M.D.
Assistant Director
Board of Scientific Advisers
